

## FAQ

**If you have a question you think should be here, let me know. Thanks.**

- [I played a little bit. I have to say the combat seems off right now.](#)
- [It appears all the skills are available from the get-go?](#)
- [What is The Quest.](#)

**I played a little bit. I have to say the combat seems off right now. Said to click twice to attack but that didn't work. Only when I clicked on the skill and then right clicked on the targeted monster did anything happen.**

THE NEW BUILD HAS A FEW IMPROVEMENTS, RANDOM ATTACK ALGORITHM, CLEANER INTERFACE, MORE QUESTS AND STORY, MUCH MORE.

FOR NOW,

LEFT CLICK ONCE TO SELECT NPC, THEN LEFT CLICK A SKILL TO ATTACK.

DBL LEFT CLICK TO SELECT NEW OPPONENT IF YOU STILL HAVE ONE TARGETED.

LEFT CLICK ON GROUND TO UN-TARGET.

RIGHT CLICK TO FIRE OF ANY SKILL IN SLOT 2.

DBL RIGHT CLICK 2 AUTO FIRE SLOT 2.

DBL LEFT CLICK ANY SKILL TO AUTO FIRE.

I WILL CHECK MY DOC PAGE AND SEE IF I CAN IMPROVE IT.

THE RIGHT MOUSE BUTTON ALSO MOVE CAMERA LEFT AND RIGHT .

WASD CAN BE USED FOR MOVEMENT AS WELL A UP AND DOWN ARROW AND LEFT AND RIGHT WILL ALSO MOVE CAMERA, THAT IS MY PERSONAL FAVORITE.

THE ATTACK SETUP WILL PROBABLY REMAIN THE SAME FOR CHAPTER ONE, PROBABLY. FOR CHAPTER 2 I WILL BE USING A NEW ENGINE THAT HAS MORE FEATURES.

---

**It appears all the skills are available from the get-go? Is that correct? If yes, will it stay that way? Or will you get to choose what skills and upgrade them??**

AS THIS IS ALPHA STAGE, THE BUILDS ARE FOR PLAY TESTING MOSTLY, AND YOU CURRENTLY START WITH MOST SKILLS AS WELL AS INCREASED HP AND MP AND THE ENEMY HAS MUCH REDUCED HP. IF YOU NOTICE THEIR HEALTH BAR ONLY HAS 20HP VERSUS THE OTHER NUMBER WHICH IS ACTUAL HP.

IN THE ACTUAL GAME YOU WILL ONLY START WITH 2 SPELLS OR WEAVES AS THEY ARE CALLED IN GAME, SOME WILL AUTO LEVEL AS YOU DO OTHERS WILL BE BOUGHT OR YOU WILL ACCESS AS YOU LEVEL UP. THIS IS ONLY ONE PLAYER CHARACTER, THERE WILL BE A TOTAL OF 3 WHEN I AM DONE.

AS SOON AS I HAVE A FEW MORE DEDICATED PLAY TESTERS THEN I WILL SPLIT REAL GAME BUILDS FOR FOLKS LIKE YOU AND PLAY TEST BUILDS FOR QUALITY INPUT.

---

**What is The Quest.**

The quest is a top down and 3rd person action roleplaying game in development from FireCat Games for Pc, Mac, and Web.
